SILENT AUCTION

PLEASE READ ALL BID SHEETS CAREFULLY! Some items are “first to sign up” and others are “highest bidder” etc. It is the responsibility of the bidder to know the details of each bid sheet.

All items in Silent Auction have a bid sheet next to them. The bidder must write his/her bidder number on any available line next to an amount that is higher than the current highest bid.

The starting bid cannot be lower than the “Minimum Bid” amount indicated on the Bid sheet.

A bid constitutes an agreement to buy the auction item for the bid amount.

There is no limit to the number of times any particular item can be bid on by an individual, unless noted on the bid sheet itself.

Bidding must stop only when the section is declared closed!

A bid sheet may not be removed by anyone other than official “bid sheet pullers” at the time specified. PLEASE READ ALL BID SHEETS CAREFULLY!

LIVE AUCTION

Bidders must raise their hands to make bids.

The purchaser and winner is the highest bidder acknowledged by the auctioneers.

PAYMENT & PICKUP

When you register to attend the auction (or register on auction night at the event) you will be asked to store your credit card in advance. Your credit card will only be charged if you are the winning bidder of an auction item.

After the auction ends if you are the winning bidder of an auction item you will receive an electronic invoice via email and your credit card will automatically be charged.

If you won/signed up for parties or events you will receive an email from the party/event organizer closer to the date of the event. Please keep your invoice as a reminder of the items you have won.

If you won a gift certificate or physical item you can pick up your item in the Imai office beginning on Wednesday, October 5. There will not be a checkout area on auction night. Please keep your invoice as a reminder of the items you have won.
